Minutes

- 1. Call to Order:** Meeting was called to order by new club President Kevin Taylor at 10:00 a.m.
- 2. Review of Minutes:** Tim read the minutes from the April meeting and were approved.
- 3. Treasurer Report:** Bill S. presented the treasurer's report for the months of May and June including summaries of income and expenses. There being no further discussion, a motion to approve the Treasurer's report was made and approved by the club.
- 4. New Business:** Tim provided an update of the need to correct our Articles of Incorporation with the state office. The club was reregistered as a 401C(3) non-profit (public benefit) but needs to be registered as a 401C(7) (mutual benefit). Tim will notify membership when correction has been made.

Bill Schneider brought up the suggestion we look for a new (used) tractor mower for the field as the old one is no longer working as a mower. Gary Smith offered to donate his mower that runs but needs repairs with the mower deck. Bill S. and David H. volunteered to go to Gary's home and check out the viability of repair. Bill S. said he would put the old mower on Craigslist to see if we could sell it.

Bill Hand recommended the club consider holding a glider event that could be opened to outside AMA pilots. There was agreement with this suggestion and Bill H. said he would put together a format for the event for members to consider.

5. Old Business: David H. announced that the club will be holding the maiden flight for the EAA Young Eagles project this Tuesday, July 23 8:30-9:00 am at the field. All members are welcome to attend.

6. Adjournment: Meeting adjourned at 11:30 a.m.
