- 5. Old Business:** David asked members if they have noticed any gate or shed locks not being secured. There has been no incidence of unlocked gates or shed doors. Kudos to Al for all his time mowing and gopher trapping this summer. Also, the grooming of the parking lot area Al did with his tractor. It looks fantastic. Thanks Al!!

There was extensive discussion of the irrigation system and repairs needed. Zone 1 needs to be disconnected permanently. Zone 5 does not turn on due to possible broken valve. Recommendation is to use valve from zone 1 as a replacement. Irrigation pump needs to be drained for winter. Bill S. and Tim will winterize pump tomorrow.

Bill's wife Vickie has provided great bookkeeping for our club and members are grateful for her services. David will ask Kevin if he would

again assume the treasurer's role. Vickie can download all files on a thumb drive to assist formatting.

Planning for our December holiday meeting and party was completed. The party will again be held at Lani Moku on December 8th. We will again have a white elephant gift exchange. David will make reservations.

A recommendation to send out messaging when someone is going to the field to fly so other members can join if available. Setting up a group chat on Telegram App was mentioned. Keith will work on setting up a group chat for this purpose.
