

## Creswell RC Flyers

### Meeting Minutes

Date: 5/30/2020

Meeting was called to order at 10:00 a.m. by President John Risbrough.

#### Reading of last month's meeting minutes:

Tim read the minutes from the January club meeting. Minutes approved.

**Treasury Report:** Treasury report was read by Rod Madison including beginning balance and ending balances and revenue and expenses for the months of February, March and April. Rod described all expenses and sources of income. Financial report approved.

**New Flying Season:** Rod reviewed the *Flying Site Rules* for the club with the membership. The rules are posted on the club website with a quick link.

**Field Work Updates:** John and Rod proposed we extend our irrigation system to the north end of the field to accommodate flying further north to avoid interference with other activity on Walker Field. Club members present walked the field and observed the current pattern of irrigation coverage. Further discussion on the details including various approaches to expand the irrigation system and related costs were discussed. A motion was made to keep the south portion of the irrigation system intact and proceed with irrigation expansion of the north end of the field. A work party will be planned to assure the work is completed quickly and does not interfere with full-scale planes landing or taking off.

**Show and Tell:** None

**Meeting adjourned at 11:15 a.m.**

Tim Herrmann, Secretary
