### **New business**

Topic- Flying past the storage container North end of runway. There was a complaint from one of the gun club members about us flying in the airspace above their property. This is also the approach for the full scale for this airport Khoi will talk to Jack about the federal logistics of this space. Jack will also talk to a representative of the gun club on this issue.

### **Sponsorship:**

Brad hooked our club up with our 1st sponsor Yeaaaaaaa. I-5 Tire awarded us with a \$250.00 sponsorship check. Brad will work Jim on Their logo and web links. Thanks to all who played a part in this. Club talked about sponsorship exclusiveness. Member agreed that a sponsorship of \$500.00 and above would receive this.

Khoi will purchase plywood for sponsorship board and other members will assemble and paint.

### **Summer event:**

It was decided by members present that we would hold our Fun Fly on August 21st  
Jim to add Notam for our gate access for gun club event.

### **Field Maintenance/Old Business:**

New windsock installed for main airport. Thanks to all involved.

Don spent time mowing our field and then some. Thanks Don.

New drive belt needed for club mower. Bill S. will advise and Jim will order.

### **Misc:**

Discussion about some type of future reimbursement to the members who helped out with club start-up costs.

Bill S. and Khoi will work on getting the paintball target plane up and running. Jim will order a second set of blades for mower and new gas cap. First 50/50 raffle went great. That's right I won. I donated the \$25.00 back to club.

Meeting adjourned 9:00 pm
