

Meeting May 9th, 2012

Meeting called to order by Rod approx 7Pm 9 members present.

April meeting minutes read by John Risbrough and approved by members present.

Treasures report by Khoi- \$2577.31

Swap and Fly results.

Day 1- \$66 in food donations and \$10 ticket sales.

Day 2-\$14 food donations.

20 members current which includes 1 re-newel and 3 new.

New Business- Jack will hold meeting with full scale pilots about their concerns. Jack will schedule the same for us. Jack would like to get both groups together in hopes to create a working relationship. Club discussed concerns from full scale pilots as well as mowing idea's. Club discussed setting up some work parties to trench for electrical as well as adjusting depth of well pipe. Club agreed to change lock codes again due to a continuing breach. Club discussed sending thank you cards to the clubs that joined us for our swap and fly.

Rod met with Eugene Sand and Gravel about delivering 22 donated yards of gravel on a transfer load to extend our parking area. Jim C. asked about if we have a first aid kit in hangar. Jim also presented a draft copy of a welcome packet for new members. Club discussed hats or shirts to help identify club members at our events. Bill S. will check into some costs. Club talked about setting up members for tech support and fling help . Next 3 meeting will be at the field. Club will split into groups and take turns on supplying food for field meetings.

Old Business. Club discussed Non member Brian who has been using our field without permission. He was invited to our meeting to plead his case, but was a no show. Club stated he is not welcome at this time.

Information shared. Chris McVey Futaba Rep, Starting hobby shop in Corvallis. Very savvy with the Futaba computer radios.

Carr Precision- String trimmer motor conversions for model airplane use.

Meeting adlourned approx 9pm

Respectfully..... John Risbrough Secretary
