

Meeting September 12th 2012

Meeting brought to order by Rod approx 7:00pm at the field

Treasurers Report- \$3016.11 as of this date. Approved by members present.

Old Business: Rod read the letter presented to Jack. In short it stated our past issues. Rod also added all that Jack has done for our club as well as everything the club has done with the field and hangar. The letter also listed the requests by the members some of the issues we would like him to address.

New Business: Bill H gave the club a spectrum radio to use for the club trainer plane, with stipulation that the club takes care of it. Jack has installed power at N end of field. In the near future we will be working with Jack on getting the rest of materials to get power down to other hangars as well as our hangar. Jack will let us borrow his backhoe for re-working our well.

Dave informed the club that the field rodents have been brought under control, He brought a visual to show what he has been fighting for the last year and half. Two new members were welcomed into our club tonight. They are as follows. Larry Church, who is sponsored by Bill H. and Tim Herrmann, who is sponsored by Rod M. Next meeting will be at EWEB. October will also bring nominations.

Meeting adjourned around 9 pm.....John Risbrough
