

Meeting December 2012

Meeting brought to order by Rod approx 7:00pm at Izzy's Pizza in Spfld.

Treasures report postponed to Jan 2013 meeting.

New Business:

Rod talked about the progress the club has made in the short time of our existence. Club members welcomed potential new member Gary Smith which will be sponsored by Bill Hastings and new member Tom Lowmann sponsored by Joe Owens. Jim has been upgrading the look and function of our website. More information on our club's Float Fly offering have been added. The club also discussed flying site rules for both venues. Rod brought in some Shirts, hats and coats from a company named Wings. This gentleman does screen printing as for a lot of different groups. A few items were given out and some items were kept aside for future events. Rod brought in copies of the proposed budget for 2013. Club spent some time discussing and thoughts about changes and additions. Rod to update from member input.

Kind of Old Business:

Bill Schneider spent some time talking to Mark at ET&H. Bill talked about things the club is doing as well as some of the entities that are sponsoring and supporting our group. After a good conversation, Mark agreed to help out and support our next function. I would like to thank Bill for doing this, these kind of things can be difficult deal with during these economic times.

Meeting adjourned approx 9pm.

Sincerely John Risbrough
