Food-\$151.41

Net profit-\$422.69

A reminder of the club float fly June 8th and Club Fun Fly June 22nd. Jim will post flyers.

New Business: Club talked about having a new person head up the sponsorship position since Brad's schedule will keep him from helping out with this. Thanks goes out to Brad for his time and effort in this role. Rod will contact Brad about future involvement. Power at the field. At this time the power poles have been installed. Thanks to all that helped on this project. Jack will get some more wire for the install as we are a bit short. As far as hardware goes, Bill S. has acquired most of it. John R will get more strain reliefs for the wire.

Meeting adjourned approx 9pm.

Sincerely John Risbrough
