

Meeting Sept 18<sup>th</sup> 2013

Meeting brought to order at our Field approx. 7pm by Rod Madison.

T-Report-

Starting balance \$5062.64

Deposits: \$893 which included \$750.00 in sponsorships, \$130.00 in dues and \$10 food donation from Fun Fly.

Less checks: \$713.00 which included the purchase of electrical parts for hangar and \$19.92 for mower supplies. Ending balance \$5241.85.

Old Business-

Fun Fly event results:

Pilots Raffle: \$205.00

Open Raffle: \$34.00

Paintball Event: \$156.00

Food: \$44.75

Total collected: \$439.75 subtract \$96.36 for food and \$52.00 for ad in paper, which left us \$291.00 for the good.

New Business-

EWEB meeting place will no longer be available. Club talked about using IZZY's Pizza Parlor in Mohawk as well as using our hangar weather permitting for our future meetings. Bill S. shared that Joe's estate donated \$1330.00 to our club which helped pay for the electrical installation. Club discussed putting up sheeting on the interior walls of the hangar as well as painting it. We also discussed adding new smaller gravel to floor of hangar and compacting it for a better more stable surface. Rod talked to Jack again about getting his track hoe down to the field to re-work our well pipe. Club discussed sending thank you notes to the ones who sponsored our Fun Fly event.

Safety time by Tim:

Tim spent some time reminding us of our safety rules for our flying site. A couple noted ones were; always putting out our flight stations before flying and standing in a safe place around our spinning props. With Tim's help, we will keep safety out in the front of our minds.

Show and Tell:

Bill S. spent the remainder of the meeting showing the club how to use the Vanessa C.G. machine. This is a great simple unit anyone can build and set up in their shop. I know it has worked well for me. Thanks to Bill for adding one to our hangar. I know it will come in handy.

Meeting adjourned approx 8pm.

Sincerely..... John Risbrough
