

Meeting December 18th 2013

Meeting called to order approx 7pm by Rod IZZY'S PIZZA.

November minutes read and approved by members present.

T-Report: Starting balance 6713.33. \$77 collected for dues. Less checks \$320.00, left an ending balance of \$6470.33. Minutes approved by members present.

New Business: Club talked about having a club get together 1st of the year in appreciation of wives and sponsors. Club discussed one of the first 2 Saturdays of the New Year for Polar Bear/Chili Feed Fun Fly. Rod said he would work on getting a lighter sponsor board. Club thanked Gary for donating pump for our new irrigation system.

Show and Tell: Bill S. showed off his sewing skills on his new hand warmer made from old shirt. This was a clever idea that tucks your radio and hands in a large pocket so as to keep blood in the fingers and planes in the air.

Rod brought in a custom scale exhaust system for one of his war birds. Very cool.

The remainder of the night was spent eating, remembering 2013 and visiting with good company. This is my last posting as Secretary. I would like to thank everyone for allowing me to fill this position for the last couple years. I will do my best to serve this club as VP for the 2014 year. Thanks again.

Sincerely.....John Risbrough
