

Minutes of the June 2015 Meeting Walker Field

Meeting opened at 6:05pm with 9 members present and guest, Scott, attending. the secretary read the minutes from previous May meeting.

Bill Schneider gave a very detailed treasurer's report of our finances and also of the May 16th Swap Meet proceeds. The minutes and treasurer's report were approved. The upcoming Swap Meet at Walker Field on June 13th was mentioned along with final details. Bill Schneider also brought up the fact that we need more members to participate and help out at

our events.

The Blackberry Float Fly will be coming up July 24-26th in a couple of weeks.

Rod brought up the suggestion that we should acquire a back pack water fire extinguisher and keep it at the field in case of a spot fire.

John Risbrough went into much detail about our flying and landing patterns at the field. Bill Spencer had a laminated top view drawing of said procedure made up to post at the field so everybody can get the idea of where to fly and where not to fly.

The meeting adjourned at 7pm
