

Minutes of the September 16th, 2015 Meeting:

Meeting called to order at 6:05p.m. with 13 members present.

John Risbrough read the minutes of the August meeting. Minutes were approved.

Bill Schneider gave the treasury report and gave detailed account of our finances, expenditures, income, and beginning and ending balances. The treasury report was approved. He also gave a report of the break-in at the field.

Rod relayed a report from Jack, we have a new caretaker and security person. His name is Jeff.

John said he was in the process of adding more security lights, bells, signs and fake cameras.

We were reminded of the Float Fly on Saturday, September 19th at Dexter Lake, Lowell. Bring your own stuff! Tables, chairs, food and drinks.

Tim Herrmann presented the new safety rules for Float Flying. Jim Corbett asked about airplane retrieval. Other questions were discussed. Two rules were established to be followed without exception; Fly Only in the Park and No Flying Without a Retrieval Vehicle. Other modifications were discussed; the rules were amended, voted on and approved.

Rod brought us up to date on the irrigation system, and current costs. Tom Lowman was tasked with building a slab for the pump. Rod talked of the need for a raft and what was required. Bill Schneider said he had a commercial float he would donate.

Rod gave a presentation on the Scale Masters; he has taken on the task of promoting and teaching our members.

Bill Schneider brought his new Turnigy TGY-i10 10 ch 2.4GHz Radio. He gave us a preview of its features and shared its amazing price at \$175.00.

The meeting adjourned at 7:45pm.

Bill Spencer for Bill Hastings, Secretary
