

October 21, 2015 Meeting

10 Members present

The meeting was called to order at 6pm by Bill Spencer. John Risborough and Bill Schneider were both ill and not in attendance.

The minutes were read and approved. Rod read the treasurer's report with beginning balance of \$3,650.58 and ending balance \$3113.47. it was accepted.

Bill Spencer gave an update on the field security and also told of the work the new security watchman has done. He also gave an update on Drones, the registration and AMA involvement. The Drone problem was discussed at length.

The election of club officers was brought up. November is the time for nominations to be considered.

Rod gave an update picture on the irrigation system. He and Bill Schneider enlarged the irrigation pond and installed a fence around the pond.

Spence related fixing the leak on the storage shed. We need to check and see if the leak has stopped (and we checked it later and it seems to have stopped).

Show and Tell: Gary brought his latest Plc A Dilly find, a nitro powdered hydro plane boat and

Rod brought some cowling for Cubs he is working on.

The meeting adjourned at 6:53pm.
