- Field Marshall – Rod Madison
- Safety Officer – Bill Hastings
- Safety Officer – Tim Herrmann

Field Maintenance:

There are a few more concrete anchor pads that need to be installed as weather permits. Estimate between 3 or 4 more.

Safety Review:

There was extensive discussion on the rationale to reverse the flight tables so that they face the parking area and not the field landing area. This is a safety concept noted in the AMA literature. The club discussed that this would prevent pilots from having their back to the landing zone and being vulnerable in for harm in the event a plane/pilot loses control on landing and takeoff. Reversing the flight tables will also enable easier and safer offloading of planes in preparation for flight.

Decision: The group unanimously voted to reverse the flight tables to face away from the landing strip.

Announcements: The annual “White Elephant” Christmas Party is schedule for December 14th 4:00 p.m. to 6:00 p.m.

Meeting adjourned at 6:30 p.m.

Tim Herrmann, Secretary
