

Creswell R/C Flyers Meeting Minutes Jan 23, 2022

Creswell R/C Flyers Met at Walker Field.

The meeting was called to order at 9:20 am by President John Risbrough.
11 members were in attendance.

Reading of last month's minutes.

Pres. John read the last meeting minutes.

A motion was made/2nded and the minutes were approved.

Treasury Report.

Rod Madison gave a very detailed report on the expenditures & income from last summer to the present. We are currently in a substantial deficit.

We had to replace our field irrigation pump. Several options to correct it were discussed, including calling for a \$100.00 one time donation, per club member, to remove this years deficit.

A motion was made/2nded and approved by a majority vote.

New Business:

The SWAP Meet at the Creswell Community Center was canceled for this year, due to the mask mandates complications. We did not want to appoint "Mask Police" to satisfy all requirements.

Also our "metal sun shade" located at the 2 utility sheds, will be moved to the north part of the field, past the north end of the parking lot, so it will be more servable as shade in warmer weather.

A motion was made/2nded and approved by a majority vote.

Show and Tell: None

In Attendance: Pres John Risbrough
Vice Pres Glenn Brummel
Treasurer Rod Madison

Meeting adjourned at 9:50 a.m. "It was cold & cloudy".
"And I had a good time taking & writing these notes"

Thanks Bill Hastings for taking the notes!
