

SWAP & SHOP

REPORT Saturday May 3, 2014

The 2014 Swap n Shop had a great turn out. **Statistics:** All 32 tables sold, 53 General admission, 41 vehicles in parking lot at 10:00 am. We started at 9 am, most vendors packed up and left by 2 pm.

The inside was buzzing with RC Enthusiast. People were buying, people were trading, people were selling.

CRCF volunteers were taking money at the door, members were directing people to their tables and were helping with the food and drinks.

People were asking questions, people were telling stories of all kinds, people were helping with parking and we all had a great time.

I want to thank all of you who helped out with the event, it went extremely well I thought. Also I want to thank the Eugene RC Aeronauts, the Cottage Grove Club, Magnum RC, Eugene Toy and Hobby and everyone who bought a table.

We had vendors from Washington, Washington, Salem Oregon, Corvallis

Oregon. The set up and take down was awesome many people helped out, a Special thanks to them.

Club sponsors promoted

Thanks to Trumps Hobbies and Eugene RC aeronauts for mentioning our event in their monthly newsletters.

Also I would like to mention again thank you to all of our wives for putting up with this event and helping out.

I really enjoyed the Swap & Shop, met lots of old friends and made even more new friends.

Oh yes, got some good stuff at some great prices.
