

Bill Spencer

Born

Died September 26, 2024

Bill resided in Creswell, OR

Bill at our January 2024 club meeting.

Remembrances

My records show Bill joined the Creswell RC Flyers in 2013. He was a regular at club meetings, and contributed often to the Show-n-Tell with interesting items.

I visited Bill at his home several times, enjoyed looking at and talking about his modeling collections.

Jim Corbett

It is with a heavy heart that we share with you that Bill Spencer ("Spence") passed away at the end of September after a long and courageous battle with cancer. Spence was surrounded by both his children and passed away peacefully at his home. Please keep Spence's family in your thoughts and prayers as they grieve his loss.

Spence was always full of life and always had a joke or positive comment to those that knew him. He was a great club member and friend and will be sorely missed.

Tim Herrmann

Bill and I were very good friends for many years. He was one of the "Killer Bees" as we were called in our Club. This included Bill Schneider as well.

We spent many hours together both in person and with phone visits.

Spence became very dear to me as a friend and towards the end when I knew he wasn't going to make it, it was hard to think of the inevitable.

I take a lot of comfort in knowing I will see him again. Revelation 20:12-15

Bill Hastings

Bill was there from the start of the club formation. He couldn't fly because of eyesight but he was always there to help with building airplanes for members. He always rolled up his sleeves & was always there with a smile on his face. He will be sorely missed. A good friend to all! Thanks for posting something on line.

Bill Schneider
